Digital hearing aids can
be almost invisible.

**Will digitals work for you?
Call today for a free hearing test!**

Quality

We don't use that word lightly at
Woodward Hearing Aid Center.

That's because we believe your
hearing is too important to
fool around with.

We carry *all* major
manufacturers' brands,
Including the latest,
fully digital hearing aids.

QUALITY also applies to the type of service we offer . . .
unsurpassed by any in the business. Just ask our customers.
